

# FAMILY FUN WEEKEND

Ready for a family weekend getaway? We got the perfect plan for you when you are ready to load up and head to Lake Guntersville!

## Day 1

---

---

**Check in!** Head over to the Lake Guntersville State Park Lodge, and be prepared to never want to leave again! Our wonderful state park has options for camping, cabins or similar feels to a hotel. Whatever your preference is, you will be ready for the best weekend ever.

**Zoom through the trees!** Take flight with Screaming Eagle Zipline! Your kids will love zooming through the trees from one point to another. There are two levels to choose from. Y'all will be left wanting more once you are finished.

**Chow down!** Head into downtown Guntersville and grab a bite or two at The Brick. From burgers to wings to tacos, there will be something delicious for everyone in the family to enjoy.

**Drive-In Movie!** Drive into Boaz and catch a movie at Sand Mountain Drive-In. This movie theater is great, because you won't have to follow all of the rules of a traditional theater. Your pets can even join in on this fun. Who doesn't love a drive-in?

## Day 2

---

---

**Get in the water!** Rent a boat from Town Creek, and explore the lake. Lake Guntersville is Alabama's largest lake with 69,000 acres and 949 miles of shoreline. There is a bat cave and ancient indian paintings to see from your boat. You can find sand bars around the lake to jump in and wade in the water when you need a break from riding. The state park also has a beach your family will enjoy. If you are nervous to take boat out on your own, try a cruise with Lake and River Fun!

**Satisfy your cravings!** Head over to Papa Dubi's and enjoy some true cajun cuisine. They have a little bit of everything from gumbo to jambalaya to etouffee! If you have a picky eater, grab a shrimp or chicken finger basket from their menu.

**Play at the park!** Grab a day pass to Sand Mountain Park in Albertville. From a lazy river to playgrounds, from walking trails to basketball courts, there is plenty of fun to have at this brand new complex.

### Day 3

---

**Breakfast time!** The Lake Guntersville State Park offers breakfast for guests. So fuel your bodies before you do one last adventure before trekking back home!

**Go under the earth!** Take a tour at Cathedral Caverns State Park before you head home. This breathtaking cave will give you a ton of photo opportunities as well as history from the discovery of the cave and the owners throughout the years.
